INSTRUCTIONS

1. This application blank is to be filled out by typing or printing and must be submitted to the Building and Zoning Officer of the City of Dunkirk.
2. Completed Building Permit Application must be filed with the Building and Zoning Officer by the applicant or his representative.
3. The work covered by this application shall not be commenced before issuance of a Building Permit by the Building and Zoning Officer.
4. Upon approval of this application a Building Permit will be issued to the applicant by the Building and Zoning Officer. The Building Permit shall be posted upon the premises in a conspicuous place so as to be visible from the street throughout the period of construction.

**Application is hereby made for permission to (describe work to be conducted)**

**Address of property where work will be performed** \_\_\_\_\_  
**Apartment #** \_\_\_\_\_  
**Accessory Structure (describe: barn, garage, pool, etc.)** \_\_\_\_\_

**Fees:** Chapter 15 of the City of Dunkirk Code sets the required permit fees as follows: Permit fees are based on construction costs. The first \$3,000 of cost of construction will require a permit fee of \$10.00. Each additional \$1,000 or fraction thereof of construction costs will require an additional \$2.00 to the base \$10.00 fee. Checks payable to City of Dunkirk.

For example:

<u>CONSTRUCTION COSTS</u>	<u>PERMIT FEE</u>
\$3,000 and under	\$10.00
\$4,000 and under	\$12.00
\$5,000 and under	\$14.00
